Well, I'll leave the laundry to you then.

Alright then Dad, I'll come by again next time.

It'll handle dinner on my own somehow, so it's alright!

Mom will be making a delivery trip down to Mr. Matsui's house and will be a little late. Sorry about that...

Yeah, that's true.

Today, he exhausted himself during rehabilitation, so...

How is  
Master's  
condition?

Oh,

Sounds  
good.

Yeah,  
he's  
pressing  
on in re-  
habili-  
tation.

Rin.

Yeah,  
well...

Looks like  
there are a  
lot of  
leftovers  
from  
today...

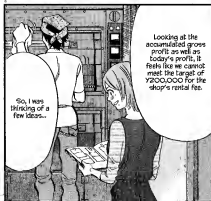

We  
aren't  
doing so  
well, are  
we?

Stayed  
on the  
color-  
forms.

but just now,  
I roughly  
tallied up the  
sales  
revenue.

I might  
sound  
nosy for  
saying this

So, I was  
thinking of a  
few ideas...

Looking at the  
accumulated gross  
profit as well as  
today's profit, it  
feels like we cannot  
meet the target of  
¥200,000 for the  
shop's rental fee.

but,  
you  
see...

I know  
that you  
have  
been  
putting  
in your  
utmost  
effort

It doesn't look like you are running a business, man.

I mean...

This isn't a hobby which you can shrug off just like that.

No, no, no...

Well, I cannot do anything else other than work harder at baking cakes.

He is no longer the Rin-kun that you knew before.

He has found an easier way to earn an obscene amount of money.

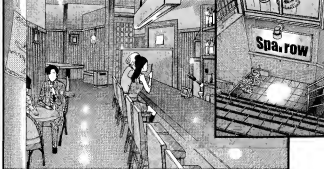

You are not  
thinking of  
using the  
Stigma to  
make ends  
meet, are you?

Rin...  
don't  
tell me...

**What's  
with  
you?!  
Rin?!**

OWP

You have a boy-friend?

My boy-friend... he's a busy man after all.

Hur hur.

Well, I'm sorry that this was an all-girls trip even though Tsugumi doesn't have a boyfriend.

Hur hur.

It's a secret.

In order to live in together...P

So, so, could it be that you recently moved...

! Tsugumi, you are really secretive on your personal matters-

Kumri-chan...

What...  
is this?

Ugh, how  
could I  
forget to  
delete  
that.

Oh,  
come on,  
how did  
you get  
to see  
that  
picture?

Since when  
did I start  
having it..?

Oh, that's  
something  
like a  
bruise...

You  
have it  
on your  
chest...

This...

*Where...  
where's  
the  
stigma?*

.....

Wait, wait,  
what are you  
doing? Are  
you drunk?

.....

Who... what  
stigma are  
you talking  
about...?

If it's  
about the  
bruise, it  
soon  
disap-  
peared!!

.....

Wait a  
minute,  
Tsugumi-?

I have  
to go  
back.

My boy-  
friend is  
waiting  
for me.

To think  
that  
Kumi-  
chan also  
had that  
stigma...
